

OAKOVER WINES

Oakover Wines is a family owned and operated winery located in the Swan Valley, Western Australia. The historic estate was one of the original properties established in the Swan Valley in the 1830's with early viticulture established by Samuel Moore in the early 1850's. In 1990, the vineyards were acquired by the Yukich family from Houghton Wines followed by the establishment of a winery and the introduction of Oakover Wines. The Yukich family have been involved in the Swan Valley region since Nicholas Yukich purchased his first block of land in 1929. Today the third-generation owners continue to grow, craft and share Western Australian wines of character, generosity and approachability.

Cabernet Sauvignon

TECHNICAL DATA

Alcohol: 14%
pH: 3.33
Titratable Acidity: 6.36g/L

WINEMAKING NOTES

Harvested with machines, the grapes were destemmed prior to being moved to static fermenters for 14 days where a cool fermentation of 28 degrees was implemented. Subsequently, a gentle pressing was achieved and the wine was aged for 18 months in both new and pre-seasoned French oak barrels.

TASTING NOTES

This Cabernet Sauvignon presents a ruby red hue and a bouquet of bay leaf and herbaceous nuances. Its medium body and soft, chalky tannins render it dry on the palate with aromas of bright red and blue fruits.
