

WINSOR'S CHOICE

Mount Horrocks 2014 Cabernet Sauvignon

96 POINTS

Stephanie Toole steps up to the plate and bang, it's gone. A home run with all three of her 2014 Clare Valley reds. I really enjoyed the shiraz, loved to the Nero d'Avola and was blown away by this cabernet sauvignon. Ms Toole is truly in the zone right now with her Australian certified organic reds reflecting an excellent vintage. This is a delightfully stylish wine with dark cassis notes and well-integrated French oak, along with assertive tannins. It is drinking brilliantly right now, vibrant and juicy, but has the architecture to cellar for a decade or more. If you are drinking it now, pair with something rich like a rabbit casserole. I'm happy to score this 96/100.
