

# GROSSET

## *Polish Hill* 2024

Polish Hill for the ages; a white that will delight while young; and yet age as gracefully as we hope to. At its core, it is intense, powerful and fine, pure lime juice that tingles on the mid-palate and shows impressive length even now. One of the finest wines to come from the Grosset Polish Hill Vineyard. Enjoy now or in 20 years.

No.1 Most Collected Riesling – Australia's Most Collected Wines, Wine Ark

Produced from riesling grown biodynamically at the Grosset Polish Hill Vineyard

Unfined: vegan and vegetarian friendly

Available in 750ml and magnum

Release Date: **September 1st, 2024**

### **Stop Press: First Review**

*'Polish Hill 2024 is as desperately gorgeous as any of the highlights of (Grosset's) lauded career. Dainty white lily, granny smith apple and lemon blossom of pinpoint perfection rise in a dramatic crescendo over a powerful core of talcum powder structure, crystalline acidity and ancient slate texture, tracing a finish unrelenting for a full sixty seconds. It is at once lighter than air and yet possessing a resolute determination that sets a future in the cellar as enduring as the career of its maker. The essence of the Clare, time will most certainly reveal this to be one of the greatest in Grosset's 44 vintage history, and one of the finest Australian rieslings conjured yet.'* **Drink 2024-2064 (40 Years)**
