

# HILLWOOD

*Single malt. Single cask. Small batch.*

*Hillwood is a contemporary Australian whisky. Made in the tradition of Scottish single malt, but given a distinctive edge from the wild Tasmanian landscape and our artisanal family approach.*

*Hidden in a unique micro valley on the banks of the Tamar River, Tamar Valley Distillery offers a rare kind of serenity perfect for sleeping barrels to age. No rush, just time. A haven of privacy and seclusion where you can hear the wind in the trees and simply forget about the rest of the world.*

*Hillwood is our namesake and the place our family chose to build Tamar Valley Distillery. A small rural town about 20 minutes from Launceston, it's a pure, unique community with no shops and no interruptions. Abundant with clean air and water, a place where we co-exist with nature and the land.*

## PINOT NOIR CASK

**Nose** – Clean oak and stone fruit with sweet floral high notes.

**Palette** – Opens oily and oaky then builds across the palate to a spicy and semi-sweet crescendo.

**Finish** – The spiciness lingers to a long and drying finish with late hints of pimento.
