

HILLWOOD

Single malt. Single cask. Small batch.

Hillwood is a contemporary Australian whisky. Made in the tradition of Scottish single malt, but given a distinctive edge from the wild Tasmanian landscape and our artisanal family approach.

Hidden in a unique micro valley on the banks of the Tamar River, Tamar Valley Distillery offers a rare kind of serenity perfect for sleeping barrels to age. No rush, just time. A haven of privacy and seclusion where you can hear the wind in the trees and simply forget about the rest of the world.

Hillwood is our namesake and the place our family chose to build Tamar Valley Distillery. A small rural town about 20 minutes from Launceston, it's a pure, unique community with no shops and no interruptions. Abundant with clean air and water, a place where we co-exist with nature and the land.

PORT CASK

Nose – Toasty butterscotch toffee and malt with notes of roasted almonds, rich fruit cake and plum pudding.

Palette – Thick, oily, oaky with dried fruits and dark chocolate. The dram builds across the palate to a big, full, and zesty peak.

Finish – Long, warm, comforting with clean dry lingering spiciness. Takes a little water very well with more viscosity and marzipan notes developing as it rests in the glass.
